1991 MODEL PANASONIC CAR AUDIO INFORMATION BOOKLET

Page 1 of 1

Attached is the "91 Model Panasonic Car Audio Information" booklet for Toyota vehicles. This booklet contains the following information on Toyota audio systems:

- Operating/Control description.
- Operating instructions for the Anti-Theft System.
- General trouble shooting information for CD, Cassette and Radio Reception.
- 2/4 Speaker and Priority/Direct switch information.
- Wire connection information.
- Technical "Hot Line" numbers for Panasonic and Fujitsu Ten.

Refer to the 1991 Accessories Sales Reference Guide for complete audio line-up.
