Introduction Toyota Technical Service Bulletins (TSBs) continue to be one of the most current sources of technical information available. To ensure complete access to this reference source, use the following steps:

- All 2001 Technical Service Bulletins should be relocated to a temporary binder.
- Place this bulletin along with all 2002 TSBs into the emptied TSB binder.
- All TSBs are now available through TIS for reference, therefore, bound books for 2001 TSBs will not be available.
