Title:

**AUTOMATIC TRANSMISSION SHIPPING
BAG FOR WARRANTY RECOVERY**

Models:

'91 – '08 Toyota (w/ATM)

TRANSMISSION & CLUTCH
TC012-07

Introduction The automatic transmission shipping bag is available from the Material Distribution Center (MDC) to assist in sealing an automatic transmission from leaking during shipping. This bag is primarily intended to be used when shipping ATMs for which plastic shipping containers are not yet available. This TSB contains ATM bag ordering and shipping information.

NOTE:

If an automatic transmission leaks while being shipped, it may be returned to sender.

Applicable Vehicles

- 1991 – 2008 model year Toyota vehicles equipped with automatic transmission.

Parts Information

MDC MATERIAL NUMBER	PART NAME	QTY	COST
00108-01090	ATM Poly Bag Box Liner for Warranty Recovery	1*	\$0.00

* Five bags in each. Maximum quantity is 1 five-pack per order.

Ordering Information

1. Go to Dealer Daily.
2. Click on the *Parts* link.
3. Click on the *Dealer Support Materials Catalog* link.
The ATM bag is located on page 25 of the catalog.
4. To order ATM shipping bags, follow the information on Form 1450 (available on page 13).

Shipping Information

IMPORTANT SHIPPING HINTS:

- When shipping a transmission or transaxle, ensure as much fluid as possible is drained from the transmission and torque converter.
- Clean the remaining fluid off of the case.
- Ensure the torque converter hold-down strap is securely installed.
