Front License Plate & Bracket Installation

Installation Procedure

1. Insert the license plate into the front license plate mounting bracket.

Figure 1.

1	Dimples
2	License Plate
3	Front License Plate Mounting Bracket
4	Self-Tapping Screws

2. Align the installation holes on the front license plate mounting bracket and license plate with the dimples on the front bumper.
3. Screw the two self-tapping screws directly into the dimples to install the license plate and mounting bracket.

NOTE

- Do NOT pre-drill holes in the dimples.
- Do NOT over-tighten the self-tapping screws.
