PAINT CODES FOR ALL 1988 MODELS

The following are listings of Toyota Paint Codes divided into participating U.S. Paint Manufacturers Sections. Each section contains all 1988 model Toyota Paint Codes and the respective Manufacturer's Cross-Reference Paint Codes.

Beginning this year, Sikken Car Refinishers will be added to the listing of U.S. Paint Manufacturers Section.

Sikken paint codes use the abbreviation "TOY" prior to the Toyota paint code number. For example:

<u>Toyota</u> <u>Paint Code</u>	<u>Sikken</u> <u>Paint Code</u>
3B2	TOY3B2
8D4	TOY8D4

Please contact your local major automotive finish warehouse distributor should you encounter difficulties with color match, or should you require the actual paint formula.
