TOYOTA KEY CODE AND KEY CUTTER INFORMATION - 1991

The new key and double tumbler lock system originally introduced on the 1988 model Corolla has been expanded to the following 1991 models:

<u>Models</u>		<u>Model Year (s)</u>	<u>Code</u>
MR2	SW	1991	P0001-P2000
Previa (Van)	TCR	1991	S0001-S2878
Land Cruiser	FJ	1991	W0001-W2000

Previous notification of this new lock system was published in TSB Volume 10 (Product General Information #016 09-01-89). If you have not already obtained a new key cutter, this change requires Toyota dealers to obtain a new key cutter from Curtis Industries.

Contact your local Curtis representative or call Curtis Industries customer service at **(216) 951-2400** for information on this new key cutter:

- (1) Gold handle key cutter #2046
- (2) Decoder slot TOY-50
- (3) Cam set DC-50
- (4) Carriage TOY-50
- (5) New Key Code Book # 20481

NOTE: Curtis Industries Master Kit #20417 contains items (1) - (5) on the above list.

- (6) Key blanks -- TR-40 (Curtis Industries Key Blank)

For detailed 1991 model application and Toyota key blank part number information, please refer to the list on page two.

This bulletin will be revised when all 1991 models have been introduced.
